POSFI was formed and organized to:

1. To encourage and support entrepreneurship, economic growth, and innovation for startup food industry entrepreneurs.
2. To elevate business standards and methods for small to medium sized food industry employers.
3. To create employment opportunities, and support overall economic development and prosperity of the community.

Support will be given to all member by way of mentorship, educational workshops and trainings All members have networking opportunities with other members, and industry specific information that may help you grow your business. Only Regular Members are entitled to kitchen use.

A Kitchen Rental Agreement must be signed and fees paid prior to kitchen use.
